- o I want to attend the *Tinnitus @the Lake Meeting*, Herrsching / Munich
30. June - 1. July 2022
Registration fee 250,-- EUR

I want to contribute to the following session:

- o **Subjective Tinnitus meets Objective Measurements**
What is the crucial experiment(s) needed to develop objective measures for tinnitus?
- o **Classical research design meets personalized and combinational treatment**
Towards systematic research on personalized and combinational treatments for tinnitus. How to implement this research correctly?
- o **Tinnitus Heterogeneity and Dynamic Fluctuations meet Big Data Analysis**
Where can Big Data analysis help to better understand tinnitus heterogeneity and the temporal dynamics of tinnitus. What are the limitations?
- o **Industry meets Tinnitus Research, new innovations meet classical guidelines**
What is needed to make the tinnitus field more attractive for investors?
- o **Tinnitus meets Tinnitus Disorder**
What speaks in favor, what against the current definition of tinnitus disorder?
- o **COVID meets Tinnitus**
What do we really know? Is there a reliable effect of the COVID-19 pandemic on tinnitus and/or hearing?
- o **"This is how I do it" sessions:**
(please explain what you want to present

Summary

In case you want to contribute to one **or more** of the sessions, please add a short summary (approx. 125 words) for each contribution:

- o **I'm happy to listen and will make clever contributions to the discussions :)**
